Knockin On Heaven’s Door – Bob Dylan

```
G               D                Am
Momma take this badge away from me
G        D             C
I don't use it anymore
G                       D                 Am
     It's getting dark  to   dark to see
G          D                     C
Feel I'm knocking on heavens door...

     G           D                     C
     Feel I'm knocking on heavens door
     G           D                    Am
     Knock knock knocking on heavens door
     G           D                     C
     Knock knock knocking on heavens door
     G           D                     Am
     Knock knock knocking on heavens door
     G           D                    C
     Knock knock knocking on heavens door
```

Mama put my guns in the ground...
I can't shoot them anymore...
That long black cloud is coming down...
I feel I'm knocking on heaven's door...

CHORUS

Baby stay right here with me...
'Cause I can't see you anymore...
This ain't the way it's supposed to be...
I feel I'm knocking on heaven's door...

CHORUS

Son won't you remember me?...
I can't be with you anymore...
A lawman's life is never free...
I feel I'm knocking on heaven's door...

CHORUS
