Verse 2:

I see a girl in the night  
With a baby in her hand  
Under an old street light  
Near a garbage can  
Now she puts the kid away and she's gone to get a hit  
She hates her life and what she's done to it  
That's one more kid that will never go to school  
Never get to fall in love never get to be cool

Verse 3 (not included in the acoustic version):

We got a thousand points of light  
For the homeless man  
We got a kinder gentler machine gun hand  
--->[Here add an additional Em, D and C without lyrics]  
We got department stores and toilet paper  
Got styrophone boxes for the ozone layer  
Got a man of the people says keep hope alive  
Got fuel to burn got roads to drive
