

## Everything Is Broken – Dylan/KWS

Broken lines, broken strings  
Broken threads, broken springs  
Broken idols, broken heads  
People sleeping in broken beds  
Ain't no use jiving, ain't no use joking  
Yeah, everything is broken

Broken bottles, broken legs  
Broken switches, broken gates  
Broken dishes, broken parts  
The streets are filled with broken hearts  
Broken words never meant to be spoken  
Oh, everything is broken

It seems like every time I stop and turn around  
Something else has just hit the ground

Broken colors, broken saws  
Broken buckles, broken laws  
Broken bodies, broken bones  
Broken voices on broken phones  
Take a deep breath, feel like you're choking  
Hey yeah, everything is broken

Yeah, every time I you leave and go off some place  
Things fall to pieces in my face

Broken hands on broken ploughs  
Broken treaties and broken vows  
Broken pipes, broken tools  
People bending broken rules

Hound dog howling, bull frog croaking  
Hey hey everything is broken, everything is broken  
Everything is broken, everything is broken  
Oh yeah, everything is broken
