

Without You – Ryan Pfeifer

Intro- B

B G#m  
It's hard to put down a drink, it's hard to look in the mirror  
E G#m F#  
I can't seem to get no sleep, cause in my dreams your still here  
E B  
And in the morning when I wake, I'll have to face another day...

<Chorus>

E G#m  
Without you, you can say I'm a little less me, you see a side of me that you ain't seen  
B F#  
Without you, I'm barely hangin' on  
E G#m  
And without you I had to learn how to be strong, you'd always pick me up when I fall  
B F#  
Without you, I'm barely hangin' on  
E  
Without, without you

Preacher said I pray you see the light, but god it hurts like hell  
I know I'm gonna find my way, right now all I want is you back

<Chorus>

<Bridge>

E G#m F#  
It's funny how I see your face, in the strangest places,  
E G#m F#  
All the petty little things I hated, I'd give everything  
E G#m F#  
Now I'm crying at the songs on the radio, Wishin' I could hear your ????  
E G#m F#  
No more holdin' on being strong let it go, breaking down to Amazing Grace

<Light Accompaniment>

Without you, you can say I'm a little less me, you see a side of me that you ain't seen  
Without you, I'm barely hangin' on  
<Chorus- Crash in on 'You'>

<Outro> E, G#m, F#

Without, without you <3 times only on the last chorus>
