

Long Cool Woman - The Hollies

E
Saturday night I was downtown
G A E
Working for the FBI
E
Sitting in a nest of bad men
G A E
Whisky bottles piling high

E
Bootlegging boozier on the west side
 G A E
Full of people who are doing wrong
E
Just about to call up the D.A. man
 G A E
When I heard this woman singing a song

A
A pair of 45's made me open my eyes
B
My temperature started to rise
 A
She was a long cool woman in a black
dress
 G A E
Just a 5'9, beautiful tall
A
With just one look I was a bad mess
 G A E
'cos that long cool woman had it all

8 bars

E
I saw her headin' to the table
 G A E
Well a tall walking big black cat
E
When charlie said I hope that you're
able boy
 G A E
Well I'm telling you she knows where
it's at

E
Well suddenly we heard the sirens
 G A E
And everybody started to run
E
A jumping out of doors and tables
 G A E
Well I heard somebody shooting a gun

E
Well the DA was pumping my left hand
 G A E
And then she was a-holding my right

E
Well I told her don't get scared
 G
'cos you're gonna be spared
A
Well I've gotta be forgiven
If I wanna spend my living
With a long cool woman in a black dress

 G A E
Just a 5'9 beautiful tall
 A
Well, with just one look I was a bad
mess
G A E
'cos that long cool woman had it all
 E
Had it all
