

Needle and the Spoon - Lynnyrd Skynnyrd

D C F C
30 days Lord and 30 nights
I've come home on a airplane flight
While I'm waiting at the ticket line
Tell me son why do you stand there cryin'

D F
chorus: Cause the needle and the spoon
C G
Took a trip to the moon
D
Took me away ay ay

I've been feelin so sick inside
Got to git better Lord before I die
Southern darkness couldn't help my head
Said, you better quit son before your dead

chorus

was the needle and the spoon take me away...
solo

I've seen alot of people who thought they were cool
But, then again Lord I've seen alot of fools
I hope you people can hear what I say
You'll get your chance to hit it some day

chorus

lord gonna bury you boy

dooooon't mess with the needle

I know I know I know
