

## T for Texas – Lynyrd Skynyrd

E A B7

Give me a T for Texas, give me a T for Tennessee

Give me a T for Texas, give me a T for Tennessee

Give me a T for Thelma, woman made a fool out of me

If you don't want me baby, mama you sure don't got to stall

If you don't want me baby, mama you sure don't got to stall

Well I've had more pretty women than a, passenger train can haul

I'm gonna buy myself a shotgun, one with a long shiny barrel

I'm gonna buy myself a shotgun, one with a long shiny barrel

I'm gonna shoot myself the rounder, oh that stole away my gal

I'd rather drink your muddy water, **STOP** sleep down in a hollow log

I'd rather drink your muddy water, **STOP** sleep down in a hollow log

Than to be in Atlanta, Georgia, **STOP HIT** treat me like a dirty dog

(I don't have to go for that)

SOLO

If you don't want me baby, mama you sure don't got to stall

Ohhh If you don't want me baby, mama you sure don't got to stall

Cause I've had more pretty women than a passenger train can haul

And that ain't all

I'd rather drink your muddy water, sleep down in a hollow log

I'd rather drink your muddy water, sleep down in a hollow log log log log

yeah

Than to be in Atlanta, Georgia, treated like a dirty dog

Oh give me a T for Texas, give me a T for Tennessee

Give me a T for Thelma, **STOP HIT** woman made a fool out of me

Give me a T for Texas, give me that T for Tennessee

Give me a T for Thelma, **STOP HIT** woman made a fool out of me

One more time

Give me a T for Thelma, **STOP** oh that woman made a foool

I said said oh, that woman made a foool

Out of me, yeah
