

There Goes Another Love Song – Outlaws

G F C

Sometimes I feel I am getting kind of low
Thoughts I am thinking are the reason so
I tried to remember without talking to myself
Things that I've said or maybe things that I've felt About youuuuu

Sittin' in a corner of a crowded barroom
People all around me and I still feel alone
Just when I know I'm gonna break down and cry
Someone played a tune that dried the tear from my eye

[CHORUS]

There goes another love song Someone's singing about me again
There goes another love song Now I need more than a fri....end (D)

Solo over D for 3 measures. On 4th measure play C (let fade)

G F C (x4)

Lonesome and lonely and far from my home
Trying to get back to where I know I belong
Wishing and hoping I was already there
I just heard a voice whispered in my ear, singin'
